

Bull Barn Genetics

Gelbvieh Sires
Retail Price List
March 2014

Bull Barn Genetics has compiled the most powerful, complete and comprehensive list of Gelbvieh bulls used in the A.I. Industry. All known carriers have been deleted from our site. It is our intent to sell this complete battery of Gelbvieh bulls to the progressive Gelbvieh breeders. We deliver by Bull barn truck, UPS or US mail. During the peak of the season, we may be short of shippers on any given day. Therefore, we suggest that you place your orders early to ensure shipment at the proper time of your breeding program. If you are buying semen, there will be no handling charges on certificates. Handling charge on certificate only orders—up to \$5 per bull.
